PROFILE

I am a student at Fast university, Islamabad. I have helped design brand for many clubs in my respective university. I have also worked for a pharmaceutical company and helped them design their entire brand. The reason for my interest in the field of graphic designing is because of my hobby, anime. I love creating digital illustrations and have an experience of 2 years as a creative designer at Fast University clubs. I have been the creative head for almost a year now in Fast Television Culture Society.
